May 2020 Issue #5

Hello.. May!

Hello Queens Avenue and Hello May.

Where did April go? As we head into another month we can look forward to warmer weather and fresh air. I know we have been handling this "Staying inside business" very well considering the circumstances. For those who attended the Happy hour April 17th were present during a heart warming Thank you speech from our very own Sandra Chapman recognizing all Staff and fellow residents for their hard work and safe practices for keeping a clean and safe home. Thank You Sandra! ❤️

In regards to the Weekly Shopping we are offering at Queens Ave we just want to give a gentle reminder that all orders MUST be submitted by end of day on Tuesday's, please keep your lists short and avoid frozen items. Remember a lot of preparation goes into these trips so we want to make sure everything runs smoothly.

Lastly I just want to announce that BINGO has returned to the 2:00pm time slot as of Monday May 4th.

Nicole in the BR

May 25th Town Hall in AR

A Message from Tom

A Message from Tom

Rogers and Hammerstein said it the best in one of their most famous songs....

March went out like a lion

*A whippin' up the water in the bay
Then April cried and stepped aside
And along come pretty little May!*

During May we celebrate a couple of special days. The May 18th Victoria Day weekend is the first unofficial weekend of summer. Mother's Day also graces us on May 10th.

We have started the cleanup of our outdoor gardens. Expect to hear the sound of the first mowing of the grass and keep an eye out for our annual flower plantings. I am also pleased to announce some new garden boxes and bedding for our own vegetable garden plantings. Look for the Gardening Club activity in May's calendar and join us with your green thumbs.

Please check with Nicole and the May Calendar. We continue with some new activities, as well as our regular Friday entertainment performances in the Activity Room with Tristan Alexander. So welcome May! Another busy month. Keep active and stay healthy.

Tom

May 2020

Special Thank You!

The team at Queens Avenue have adapted to the new normal ensuring that everyone is still enjoying healthy and fulfilling lives. We are still providing the balanced lifestyle programs and services we have always been dedicated to while adhering to the new guidelines to keep us all safe. At times like this we recognize that keeping connected is more important than ever and we are using technology such as Skype to connect residents to their family members locally and abroad. We still have lots of music, to promote a positive and relaxed atmosphere, for our Friday Happy Hours. Residents can choose to have their meals in their rooms or socialize with their Queens family in the dining room keeping a distance of six feet apart. We have implemented enhanced cleaning measures and have everything we need to continue operating at the high standard that Queens has come to be known for. What keeps us going during these challenging times is the gratitude and generosity we have received. Thank you to Dillon's Distillers of Beamsville, Ontario who now manufactures hand sanitizer for donating cases of complimentary product. Thank you to the family members that have sponsored staff lunches and our heart felt gratitude for the simple "thank you" notes. Gifts of flowers will fade over time, but the words will always speak loud. At Queens we will continue to adapt the to the new normal as things evolve. It can be a trying time, but let us assure you, we are doing just fine.

Mother's Day Brunch

Our wonderful Kitchen staff have prepared a delicious and decadent Mothers Day Brunch, It will take place Wednesday May 13th at 12:00pm in the Dining Room

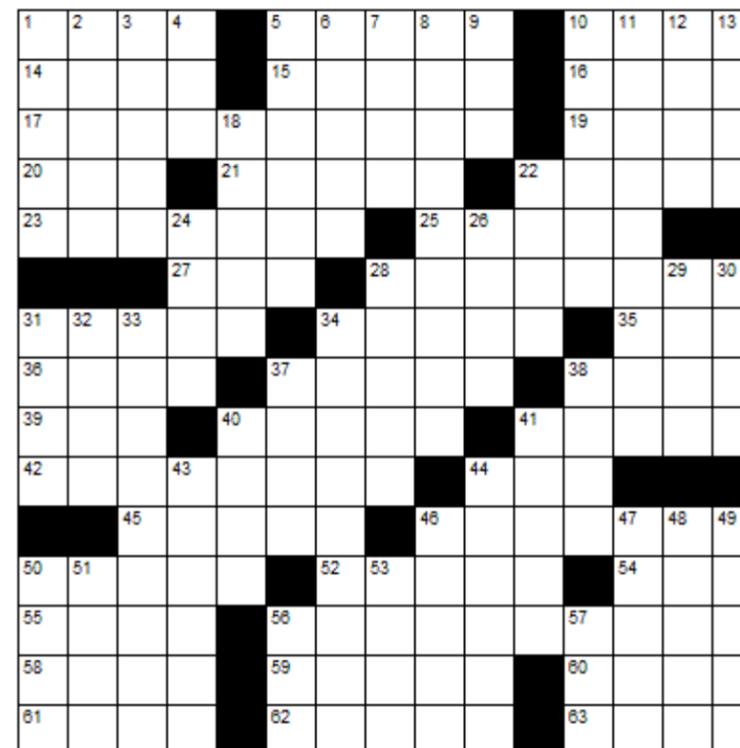

On the Menu:

Strawberry Crepes with a fresh berry coulis and whipped cream

Followed by a decadent assortment of desserts

Let's Get Moving!!

Attention Residents, we are encouraging a Movement of Activity.

We will be hosting floor to floor exercise in the coming weeks. We want to encourage residents to get out of their suites even for a few moments and "Get Moving" Listen for that door knock, more details to follow and we will include it on the daily activity sheets.

Happy Hour with Tristan Alexander

Every Friday at 2:00pm in the Activity Room we will be safely gathering for our weekly Happy Hours, While practicing our physical distancing .

Tristan has been putting on a weekly virtual show for us and will continue through the month of May

Scrabble and Cards

Calling all Scrabble and-Card Players:

Join us every Wednesdays and Thursday in the Activities Room at 1:30pm for fun
